

Fairview Hospital Families and Friends

Saturday October 10th

1:00 pm - 6:00 pm

10 Maple Ave, Gt Barrington

Please use the driveway closest to Agway

Registration is required.

To register for an appointment, please go to

<http://bit.ly/Fairviewflu>

- You must wear a mask while at the clinic.
- Please wear a short sleeve shirt as this is a drive through and we expect you will not be getting out of your car.
- Please bring a completed consent form for each person being vaccinated. It can be downloaded from <https://www.berkshirehealthsystems.org/Fairview>
- All of our vaccine is quadrivalent, preservative free.
- We will not have the high dose formulation.
- We will have the nasal mist available at these clinics for people ages 2 – 49 who meet health requirements.
- There is no charge for the vaccination, but if you have insurance, please bring a copy of the front and back of your insurance card if possible. Billing insurance companies for the administration of the vaccine will allow this project to be financially self-sustaining and allow us to continue to offer this service to the community.
- Do not come if you are ill on the day of the clinic.
- Please leave your dogs/pets at home. We cannot administer a vaccine with a dog in the car.
- Questions? Call Heather Barbieri (413) 854-9656
